SCIENCES

2023 High School Student Open House

Time/Location	Activity
8-8:45 am LeFrak 1158	Introduction Welcome to the Department of Geographical Sciences! You will hear briefly from our Associate Chair, Dr. George Hurtt about our department, the schedule for the day, and the purpose of this event!
9-9:50 am LeFrak 2205	GEOG170- Mapping our Digital World Join Dr. Naijun Zhou for class today in LeFrak. Today you will be learning about different types of map use. You will see how maps are being used for different purposes: politically, economically and socially.
10-10:50 am LeFrak 1158	2023 Summer Interns Research Presentations Learn about the research our high school interns participated in and how to apply to be a part of next year's cohort.
11-11:50 am Start/end at LeFrak	Campus Tour Get a feel for campus by visiting UMD's most iconic spots.
12-12:50 pm South Campus Dining Hall	Lunch Join us for lunch in a campus dining hall! You will be accompanied by several GEOG students/faculty to help you navigate the dining hall and find a spot to sit down! After lunch, join us back in LeFrak for some ice cream.
1-1:50 pm LeFrak 1158	Lightning talks Learn about our students' exciting research projects!
2-3 pm Taliafero 1103	Admissions Talk and Student Panel Learn about the admissions process to UMD, and then hear from GEOG students about life as a UMD student! These sessions are great opportunities to ask questions.
3-3:30pm Taliafero 1103	Conclusion Before you leave, we will discuss some ways that you can stay in touch with our department, including summer classes, internships, applying to UMD, and more! Afterwards, we will walk over to the Stamp Student Union, for those who would like to, to see the food court, bookstore and much more. The day will conclude here and students can be picked up here.
